

REFUND POLICY

Accept our thanks and gratitude for your financial support of the Council of Islamic Organizations of Greater Chicago. It is an important contribution to sustain and build on our programming.

We accept your donations on a "no refunds" basis. With respect to fees paid for an event, such as our annual dinner, refunds are only issued when the event is cancelled.

We recognize that a mistake can occur when donating using a credit or debit card. It is our policy to refund any sum mistakenly made during the process of donating. Common mistakes are double entry of a donation intended to be made once or inadvertently entering a figure different than what was intended.

In such instances, you must request a refund within 30 days of making your donation via credit or debit card. Request your refund by calling the office at 312/506-0070 during regular business hours, Monday through Friday.
